In that instance, the secretary will not be paid for the snow day but will be paid for the make-up day; provided, the bargaining unit member shall experience no loss, delay, or interruption of his/her regular pay per Article V,B. - G. A rest period is allowed away from the desk in the morning and the afternoon for a period not to exceed twenty (20) minutes each time.
- H. The parties recognize that it is necessary to use temporary workers at times. A temporary worker shall be understood to mean one who is used as a short-term replacement not to exceed forty-five (45) consecutive, continuous workdays or to supplement the regular work force. Requests for additional help should be made to the employee's direct supervisor, a copy of which is to be forwarded to the Superintendent or his/her designee.
- I. Secretaries shall be reimbursed for mileage incurred pertaining to school business at the current rate allowed by the Board. Mileage reimbursement may be requested monthly or quarterly on forms provided and must be approved by the secretary's immediate supervisor.
- J. There shall be a job description (as drawn up by the secretary and his/her immediate supervisor, with final approval from the Superintendent or his/her designee) on file in each secretary's personnel file.
- K. Secretaries shall not be required to assume any supervisory or administrative responsibilities for and/or of buildings, parents, teachers, administrators, or students. If a secretary needs administrative direction while his/her supervisor is inaccessible, he/she may contact a Central Office administrator.
- L. The start and end of secretaries workweeks may change year-to-year, to best accommodate the Board's need at the beginning and ending of each school year.

ARTICLE VII - NEGOTIATION PROCEDURES

- A. It is contemplated that matters included in this Agreement and other areas of common concern to the parties shall be subject to negotiation by mutual agreement between them from time to time during the period of this Agreement. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information, and otherwise constructively considering the resolving of any such matters.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke lawful measures it may deem appropriate.

ARTICLE VIII - SUSPENSION AND DISMISSAL

- A. Discharge or demotion of any secretary shall be made only for reasonable and just cause. The secretary shall be notified in writing by the Superintendent or his/her designee prior to discharge or demotion.
- B. In the event any secretary shall be suspended or discharged from employment and believes he/she has been unjustly dealt with, such suspension or discharge shall constitute a case to be handled in accordance with the grievance procedure.
- C. Should it be decided that an injustice has been done in regard to the secretary's suspension or discharge, the Board agrees to reinstate the secretary and pay for all time lost.

ARTICLE IX - RESIGNATION

Any secretary desiring to resign or retire shall file a letter of resignation with the Board at least ten (10) days prior to the effective date.

ARTICLE X - VACANCIES AND PROMOTIONS

- A. The Personnel Office shall inform all secretaries by email of any openings in any offices within the Grand Ledge Public Schools as soon as the notice of vacancy or other job opportunity develops. During the summer months, copies of postings shall be forwarded to a designated Association Representative. Employees not working in the summer may leave a stamped, self-addressed envelope(s) with the Personnel Office so that postings can be mailed to said employees. Secretaries who may be interested in transfers should make this known to the

Superintendent or his/her designee in writing by July 31st.

1. When additional, temporary, and/or permanent help is needed to perform duties currently being done by members of the bargaining unit, and such help is approved by the Superintendent or his/her designee, the position shall be posted as a vacancy within the bargaining unit for a maximum of five (5) working days. This request for help shall be made by the building principal or the secretary's supervisor.
- B. Any secretary may apply in writing / email for such vacancy. In filling such vacancy, the Board agrees to give due weight to the background, attainments, and skills of all applicants, the length of time each has been employed in the school district, and other relevant factors. The Board declares its support of the policy of promotions within its own staff, including promotions to supervisory and executive levels. All present employees who apply for a vacancy and who meet minimum qualifications will be interviewed and will receive a written notification of the action to fill the vacancy.
- C. New secretaries hired in the unit shall be considered as probationary employees for the first ninety (90) days of work. When a secretary finishes the probationary period, the employee shall be entered on the seniority list and shall rank for seniority from the day ninety (90) days of work prior to the day he/she completes the probationary period. There shall be no seniority among probationary employees.
- D. The Association shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment, except discharged and disciplined employees.
- E. Seniority shall be on a district-wide basis, in accordance with the secretary's original date of hire. New secretaries less than twenty (20) hours per week shall have their seniority calculated on pro rata basis.
- F. The Association recognizes that the Board may hire seasonal or substitute employees for up to forty-five (45) days worked to perform seasonal, temporary, or emergency work.
- G. The seniority list on the date of this Agreement will show the date of hire, names, and job titles of all secretaries of the unit entitled to seniority. It shall be updated at the beginning of each school year by the Superintendent or his/her designee and distributed to each employee in the bargaining unit.
- H. A secretary shall lose his/her seniority for the following reasons only:
 1. The employee quits.
 2. The employee is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
 3. The employee is absent for five (5) consecutive working days without notifying the Board. In extenuating circumstances, exceptions shall be made. After such absence, the Board will

send written notification to the secretary at his/her last-known address that he/she has been terminated. If the disposition made of any such case is not satisfactory, the matter shall be referred to the final step of the grievance procedure.

4. The employee does not return to work when recalled from layoff, as set forth in the recall procedure. In extenuating circumstances, exceptions shall be made.
5. Return from sick leave and leaves of absence will be treated the same as #3 above.

- I. The word, layoff, means a reduction in the work force due to a decrease of work or lack of funds.
- J. When a layoff takes place, secretaries not entered on the seniority list shall be laid off first. Thereafter, secretaries having seniority shall be laid off in the inverse order of their seniority, i.e., the least senior secretary on the seniority list being laid off first.

In the event a higher seniority secretary's job is eliminated, he/she will be offered, based on order of seniority according to the seniority list agreed to between the Association and the Board, the choice of any "open" position(s). (Open positions shall be those positions in the bargaining unit which are worked an equal or greater number of weeks per year or an equal or greater number of hours per week than those of the eliminated bargaining unit position.) Should the secretary's new position require *specialized training for that position, the Board agrees to provide on-the-job training for said secretary. Said on-the-job training shall not exceed forty-five (45) work days.

A secretary whose job has been eliminated has the right to refuse the offered position, thereby he/she will be placed on indefinite layoff status by the Board of Education.

*Specialized training - i.e., computer operator, not basic clerical skills as outlined in Article IV-A.

1. In the event of a layoff, the employee's seniority and unused sick days will be frozen at the date of layoff and restored on the day of recall. No loss of seniority will occur except for the period of layoff.
2. Recalls will not be implemented until all displaced secretaries have had a choice of open clerical positions.
3. Future openings will be posted for secretaries presently employed before offering to a secretary on layoff.

- K. In the event an employee receives a reduction in hours worked per fiscal year, the employee so reduced shall have the right to replace the least senior employee scheduled to work a number of hours per fiscal year that is equal to or greater than the senior employee's schedule prior to the reduction (provided the employee with the reduced schedule is more senior) or remain in their current assignment with reduced hours. If such a bump is not available, then the employee with a reduced schedule may replace the least senior employee who is scheduled to work a greater number of hours than the reduced schedule allows. When a bump of the latter type occurs, the least senior employee with a number of hours closest to the schedule of the senior employee

(prior to the reduction) shall be the employee affected. An employee who is bumped by a more senior employee may use the same process to secure a position for herself/himself. If a secretary chooses to remain in their current assignment with reduced hours, they shall retain the right to bump as described in this Article for the purpose of regaining his/her original hours (at a minimum) for 90 school work days from the date of said meeting.

1. A meeting shall be scheduled with the Association Leadership Committee and the Superintendent or his/her designee at which the bumping will take place. All bargaining unit members shall be invited to attend this meeting and shall be given written notice of said meeting at least seven (7) calendar days prior to the scheduled date.
2. A secretary who does not waive his/her right to bump, but is prevented from maintaining his/her hours because there is no less senior secretary in a position with hours equal to or greater than the reduced secretary's original hours (at the time of the bumping meeting), shall retain the right to bump as described in this Article for the purpose of regaining his/her original hours (at a minimum) for 90 school work days from the date of said meeting.
3. Secretaries who will have their positions changed due to bumping shall be notified in writing of the change at least seven (7) calendar days prior to the effective date of said change.

L. Secretaries to be laid off will receive at least fourteen (14) calendar days advance notice of layoff.

M. When the working force is increased after a layoff, secretaries will be recalled according to seniority, with the most senior secretary on layoff being recalled first. Notice of recall shall be sent to the secretary at his/her last-known address by registered or certified mail.

If a secretary fails to report for work within fourteen (14) calendar days from the date of mailing of notice of recall, it shall be considered a quit. In extenuating circumstances, exceptions may be made.

ARTICLE XI - LEAVES

It is the intention of this Leave Policy to provide reasonable protection against loss of salary for those absences from work caused by accidents, illness, personal emergencies, and deaths. False reports for reasons of absence shall cause a notation (with a copy to the secretary) to be entered in the secretary's permanent personnel file.

B. The primary purpose of the procedure set forth in this section is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any employee with a grievance to discuss the matter informally with any appropriate member of the administration independently. All employees will have the opportunity of the presence of an Association representative at any level of the grievance procedure.

C. STRUCTURE

1. The building principal or direct supervisor shall be the administrative representative when the particular grievance arises in one building.
2. The "Association Problems Committee," as set up by the Association, shall be the committee to which grievances are referred. In the event any member of this committee is a party in interest to any grievance brought, that person shall ask to be disqualified and a substitute shall be named by the Association.

3. Others who take part in resolving grievances shall be the Superintendent or his/her designee, the Superintendent of Schools, and the MEA UniServ Director.

D. PROCEDURE

1. The number of days indicated at each level should be strictly observed and every effort made to expedite the process. The time limits may be extended by mutual agreement, in writing. If the grievance is filed on or after June 1, the time limits shall be reduced in order to effect a solution to the grievance prior to the end of the school year or as soon thereafter as is practicable.

Pre-Grievance Level - The grievance will be discussed by the employee and building principal or supervisor within ten (10) days of the alleged violation or knowledge of its occurrence. If agreement or solution is not reached, dissatisfaction should be made known to the other party, in writing, within five (5) days of discussion.

Level A - Within five (5) days after this written notification, the employee should report the grievance in writing to the immediate supervisor. The immediate supervisor will attempt to resolve the grievance through conferences with the employee. Conferences shall be held within five (5) days of the written notification to the immediate supervisor. The immediate supervisor shall, within five (5) days of the conference, report to the aggrieved in writing his/her decision.

Level B - If there is no agreement at Level A, within five (5) days of receipt of the written report, the aggrieved shall notify the Superintendent, or designee, in writing of the desire for a meeting. Within five (5) days after receipt of the request, the Superintendent, or designee, will call a meeting, including the chairperson of the Association's Problems Committee, the immediate supervisor, and the parties concerned in the grievance. The proceedings of this meeting will be recorded. The Superintendent, or designee, shall within five (5) days of this meeting notify in writing the aggrieved of his/her decision.

Level C - If the parties are unable to resolve the grievance at Level B, the Association, within ten (10) working days after such decision by the parties is determined, shall notify the Board in writing that arbitration of the grievance is necessary. If the parties cannot mutually agree upon an arbitrator within five (5) days of notice to arbitrate, he/she shall be selected by The American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceedings. The Board and the Association shall not be permitted to assert in each arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. Both parties agree that judgment thereon shall be final and binding on the Association, the Board, and on all parties. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.

Level D - Appeals may be entered as provided by law.

E. MISCELLANEOUS

1. A grievance may be withdrawn at any level without precedent.
2. No reprisals of any kind shall be taken by or against any party of interest or any participant in

the grievance procedure by reason of such participation.

3. Failure to appeal a decision within time limits specified shall bar further proceedings thereon.
4. Failure by the Board or its representatives to act upon a formal grievance within the time limits specified will result in the grievance being granted to the Association or the aggrieved.
5. The Association reserves the right to file a policy grievance on behalf of any individual in the Association.
6. A grievance may be filed at Level B in cases involving loss of pay.
7. The fees and expenses of the arbitrator shall be shared equally by both parties. All other expenses will be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
8. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

- E. The Association and Board recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association, therefore, agrees that its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any employee take part in any strike, slowdown, or stoppage of work, boycott, picketing, or other interruption of activities in the school system. Failure or refusal on the part of any employee to comply with the provisions of this Article shall be cause for whatever disciplinary action is deemed necessary by the Board.
- F. This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed upon, the District and the Association. This Agreement is subject to amendment, alteration, or additions only by a subsequent written agreement between and executed by the District and the Association.
