PREAMBLE

WHEREAS the parties have an obligation, pursuant to the Public Employment Relations Act (PERA) as amended, to negotiate with respect to hours, wages, terms and conditions of employment, and

WHEREAS the Board has been selected by the electors to establish and execute policies and procedures for the Grand Ledge Public Schools, and

WHEREAS the parties have reached certain understandings through extended and deliberate professional negotiations, it is hereby agreed as follows:

1.1 RECOGNITION

The Grand Ledge Board of Education (hereinafter referred as the Board) hereby recognizes the Eaton County Education Association, MEA/NEA (hereinafter referred to as the Association) as the exclusive bargaining agent as defined in the Public Employment Relations Act (PERA) as amended, for all elementary and secondary teachers who are certified and under contract with the Board.

- A. The term, "teachers", as used herein shall include all those teachers employed throughout the school year, including special education teachers, guidance counselors, librarians, school nurses, prevention intervention specialists, school psychologists, and teachers regularly employed on a part-time basis; specifically excluding all others and particularly the supervisory staff consisting of the Superintendent, any Assistant Superintendents, Executive Directors, Directors, Principals, Assistant Principals, and non-supervisory staff consisting of substitute teachers and non-regularly employed part-time teachers. Also included are teachers for that time spent outside the regular school day and hours unless specifically covered by this Agreement.
- B. For purposes of administering and applying this Agreement, where a "teacher" (as defined above) is assigned to a bargaining unit position outside the coverage of the Teachers' Tenure Act, that individual shall be regarded as a probationary teacher during his/her first four (4) school years of employment. Upon completion of four (4) years of employment with the District in a bargaining unit position outside the coverage of the Teachers' Tenure Act, the bargaining unit member shall be treated as a tenure teacher for the purposes of administering and applying this Agreement. This provision shall neither be construed or interpreted to confer statutory probationary or tenure status upon any bargaining unit member.

- C. The term, "Association," as herein used shall refer to the Eaton County Education Association (ECEA) or its designated agents.
- D. The term, "Board", as herein used shall refer to the Grand Ledge Board of Education or its designated agents, or a sub-committee of the Board.
- E. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of the Agreement.
- F. Nothing contained herein shall be construed to deny or restrict any teacher rights he/she may have under the Michigan Revised School Code or the right of the individual teacher to confer with and raise issues or problems with appropriate supervisory personnel.
- G. All generic references to male employees shall include female employees.

1.2 CONTINUITY OF OPERATIONS

The Association and the Board recognize that strikes and other forms of work stoppage by teachers are contrary to law and public policy. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program.

The Association, therefore, agrees that during the term of this Agreement its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any teacher take part in any strike, slowdown or stoppage of work against the Board.

The Board also agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act (PERA).

When school is declared closed due to inclement weather, heating problems, road conditions, or other problems that may arise, buildings will be open when possible so that teachers who elect to do so may work. Pay or sick-leave days will not be deducted when teachers do not report on such days.

1.3 GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is defined as an alleged violation of a specific Article or section of this Agreement.

2. The term "teacher" may include any individual or group covered by this Agreement.
 3. The "grievant" is the person making the claim.
 4. The term "days" when used in this Article shall mean consecutive working days for which the teacher is employed, except that during the summer months when school is not in session, the term "days" shall mean Monday through Friday excluding holidays.
- B. Purpose – The purpose of this procedure set forth in this Article is to provide relief of an alleged violation to the grievant, as quickly as possible, on any condition as defined in Section A.,1., of this Article.
- C. Procedure
1. Time limits – The time limits provided in this Article are to be strictly observed. Every effort should be made to expedite the process; however, time limits may be extended by mutual agreement in writing at any level.
 2. Pre-grievance Conference – In the event the teacher feels he/she has a basis for a grievance he/she may, at his/her option, be accompanied by his/her Association Representative to discuss the problem with his/her building principal. The Association shall have the right to be present in the event of any adjustment or settlement of the grievance occurring at this level.
 3. Teachers must sign the grievance form. In the case of a class or group grievance initiated by the Association, the Association must name the aggrieved teachers for consideration of relief.
 4. Level One – If the teacher, after informal discussion with the building principal, still believes a condition as defined in Section A.,1., of this Article exists, he/she may, within ten (10) days of knowledge of the alleged violation, through the Association, invoke the formal grievance procedure set forth in this Article and on a form available from his/her Association Representative. The grievance form shall be filled out in triplicate by the grievance with the aid of his/her Association Representative and shall be a complete statement of the grievance. It shall be signed by the grievant and his/her Association Representative and the copies designated I, II, and III. Copy I shall be delivered to the building principal within the above time limit. Copy II will remain with the teacher and Copy III with the Association. Within five (5) days of receipt of the written grievance the principal shall meet with the grievance and Association Representative(s) in an effort to resolve the grievance.

Within five (5) days of this meeting the principal shall return to the grievant or his/her Association Representative, Copy I of the grievance form upon which he/she has indicated in writing his/her disposition of the grievance.

5. Level Two – If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made by the principal in the time provided, the grievance shall be submitted to the Superintendent (or designee) within five (5) days. Within five (5) days of receipt of the grievance, the Superintendent or his/her designee shall meet with the grievant and his/her Representative(s) in an effort to settle the grievance. Within five (5) days of this meeting, Copy I of the grievance shall be returned to the grievant or his/her Representative(s) with the disposition of the grievance indicated in writing.
6. Level Three – If the Association is not satisfied with the disposition of the grievance at Level Two, or if no disposition is made in the period above provided, the Board shall be notified in writing by the Association within five (5) days that arbitration of the grievance is necessary. If the parties cannot mutually agree upon an arbitrator within fifteen (15) days of notice to arbitrate, he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.

After arbitration has been demanded, the Board and the Association may mutually determine to submit the grievance to mediation through the Michigan Employment Relations Commission or another mutually acceptable forum for alternative dispute resolution. This procedure shall not replace arbitration but rather is intended to function as a pre-arbitration procedure.

The Board and the Association shall not be permitted to assert at the arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. Not later than five (5) days prior to the arbitration hearing representatives of the Board and the Association shall meet to exchange witness lists and exhibits to be introduced at arbitration and also to identify the issues to be submitted for decision to the arbitrator.

Both parties agree that judgment thereon may be submitted to any court of competent jurisdiction. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.

- a. If at any time during the processing of a grievance the grievant initiates a petition with the Michigan State Tenure Commission concerning matters within the scope of the grievance, any and all further arbitration proceedings shall be terminated and the jurisdiction of the arbitrator shall cease. This shall not be construed to prohibit the processing of such a grievance up to and including Level Two of this grievance procedure.
- b. There shall be no appeal from the arbitrator's decision. It shall be final and binding on the Association, the Board, and on all the parties.

D. Costs

The fees and expenses of the arbitrator shall be shared equally by the parties. All other expenses will be borne by parties incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

E. Use of Forms

1. If the grievance and/or the written responses take more space than is provided on the form, they may be written on separate pages with appropriate reference to the portion of the form to which they apply and attached to the form.
2. Since Copy I of these forms is to be used throughout the procedure, it and any attendant pages should be safe-guarded from loss or misplacement by the parties handling them. Duplicates of Copy I may be made by the Association and by the administrative official involved in the culmination of each step. If a replacement Copy I is needed, it will be prepared by mutual examination of all duplicates. All efforts will be made by the parties to maintain the confidential nature of the material involved.

F. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

1.4 NEGOTIATIONS PROCEDURE

- A. Matters of common concern may be subject to negotiation during the period of the Agreement upon request and mutual agreement of both parties. The parties undertake to cooperate in arranging meetings for such discussion, furnishing information and otherwise constructively considering and resolving any such matters. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by the Association, subject to requirements of Section 17 of the Public Employment Relations Act (PERA). The parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations, subject to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke lawful measures it may deem appropriate.

2.1 ASSOCIATION RIGHTS

- A. The Association and its representatives shall have the right to use school buildings at reasonable hours for meetings, at such hours that do not interfere with the regular program of the school or any other activities that have been previously scheduled and approved by the Board or its representatives.
- B. Duly authorized representatives of the Association shall be permitted to transact official Association business on school property at reasonable times, provided that this shall not interfere with or interrupt normal school operations.
- C. The Association shall have the right to use school facilities and equipment, including typewriters, computer equipment, printers, other duplicating equipment, calculating machines and audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incident to such use.
- D. The Association and its members shall have the right to post notices of activities and matters of Association concern on teacher bulletin boards. The Association may use the district mail service and teacher mail boxes, e-mail, and voice mail for communication to teachers, provided the Association does not use this communication route to engage in partisan politics. This shall not be interpreted to require the District to process any such mail through the District's internal mail

system. Any mail not delivered by the District shall be promptly returned to the sender.

- E. The Board agrees to furnish to the Association in response to written requests available information concerning the financial resources of the District, including but not limited to: annual financial reports and audits, register of certificated personnel, tentative budgetary requirements and allocations (including county allocation Board budgets), agendas and minutes of all Board meetings, treasurer's reports, census and membership data, names and addresses of all teachers, salaries paid thereto and educational background together with information which may be necessary for the Association to process any grievance or complaint. Nothing herein shall require the Board to provide the Association with research or clerical time.
- F. The Association shall be given opportunity to advise the Board with respect to any new or modified fiscal, budgetary or tax programs, construction programs or major revisions of educational policy to their adoption and/or general publication.
- G. The rights granted herein to the Association shall not be granted to any competing labor organization.
- H. At the request of the Association, the Board agrees to furnish the Association President with five (5) teaching periods (for secondary teachers) per week or five (5) hours per week (for elementary teachers) to conduct Association business and to confer with the administration regarding labor-management matters. The Association shall reimburse the Board, on a quarterly basis, for all salary costs (including MPSERS and FICA) associated with this leave.

2.2 TEACHER QUALIFICATIONS

- A. Teachers employed by the Board for a regular instructional assignment must possess a Michigan teaching certificate valid for their assignment.

Employment of bargaining unit members without Michigan teaching certificates in instructional assignments will be permitted where authorized under Section 1233b of the Revised School Code or its successor provision.

Bargaining unit members assigned to non-instructional professional positions not requiring a teaching certificate (e.g. counselor, social worker, speech therapist) shall possess an approval, authorization or license (as applicable) valid for the position to which they are assigned.

- B. All teachers must meet all applicable standards for a "highly qualified" teacher under the No Child Left Behind Act of 2001, including the NCLB Final Regulations and standards adopted by the Michigan State Board of Education.

- C. Any assignments in addition to the normal teaching schedule during the regular school year, including adult education courses, extra duties enumerated by Article 5.4 and summer school courses, and substitute teaching during conference periods, shall not be obligatory, but shall be with the consent of the teacher. Consideration in making such assignments will be given to teachers regularly employed in the District.
- D. Counselors, school nurses, librarians, special education teachers, specialized reading instructors, speech therapists, prevention intervention specialists, school psychologists, elementary computer instructors, vocal music, elementary art, instrumental music, and elementary physical education teachers shall follow a schedule developed by their building principal or the central office administration, in consultation with the teacher.

It is agreed that the scheduling of these kinds of teachers presents problems not generally found in the scheduling of regular classroom teachers; therefore, these teachers shall have a schedule developed that is substantially equivalent to a regular classroom teacher's schedule.

During lunch times, the building principal shall have the right to assign counselors to supervisory duties when any administrator regularly assigned to the building is not present.

- E. Whenever elementary music, art, and physical education teachers, elementary computer instructors, special education teachers, specialized reading instructors and/or librarians are absent for any reason, the Board will provide a substitute teacher whenever possible.
- F. "Certified" shall be defined for purposes of this Agreement as holding all certificates, endorsements and approvals required by law and Michigan Department of Education regulation to serve in the position assigned. It is the teacher's responsibility to file such certificates, endorsements or approvals with the District. The certification status of a teacher on file with the District shall be considered conclusive for all purposes under this Agreement.

The teacher shall provide written notice to the District and Association of any change to his/her certificates, endorsements or approvals after the original filing of same with the District. This shall include notice of any additional endorsements, certificates, renewals, approvals as well as expirations, revocations and any limitations thereon. The teacher shall further notify the District and Association, in writing, in the event that he/she petitions the State Board of Education for nullification or limitation of his/her certificate, one or more endorsements thereon or a grade level certification appearing on the certificate.

- G. In the event that the Board commences a process to assess whether one or more schools within the District should be identified for school improvement, corrective action, or restructuring as contemplated under the No Child Left Behind Act Final Regulations, 34 CFR Part 200, the Board will, upon request of the Association, provide the Association an opportunity to review the data on which the proposed identification is based. Data shall be provided in a form which is in compliance with the Family Educational Rights and Privacy Act and its implementing regulations.

If the Board identifies a school for improvement under the No Child Left Behind Act and a school improvement plan consequently must be developed pursuant to 34 CFR 200.41, the Board will consult with the Association regarding the development of the plan and, upon the Association's request, negotiate over the impact of the plan upon the Association's bargaining unit, to the extent required by law.

2.3 PERSONNEL FILES

- A. Each teacher shall have the right upon request to review all evaluation materials and the contents of his/her personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in this review. Reasonable advance notification shall be given to the Human Resources Department before this review can take place.

2.4 SENIORITY

- A. Seniority:

1. Seniority begins to accrue on the most recent date of hire and continues to accrue until resignation or discharge.

“Date of hire” means the date of the Board of Education meeting on which the teacher’s initial employment as a member of the bargaining unit was officially approved, if that approval occurred prior to the first day that the teacher performed services for the District as a member of the bargaining unit. If a teacher performed services as a member of the bargaining unit prior to the date of the Board of Education meeting at which that teacher’s employment was officially approved, then the teacher’s “date of hire” shall be the first date on which the teacher performed services for the District as a member of this bargaining unit.

2. Individual teachers sharing the same seniority date shall participate in a drawing to determine position on the seniority list. The drawing will be conducted openly and at a time and place which will reasonably allow affected teachers and Association Representatives to be in attendance.

3. No person or teacher who is not a member of the bargaining unit shall accrue seniority in the bargaining unit.
4. No administrator shall accrue additional seniority in the bargaining unit after August 31, 1981, but shall have credited to the bargaining unit seniority list all prior unbroken service to the Grand Ledge Public Schools, either as a teacher or as an administrator. This prior service credited to the bargaining unit seniority list may be utilized by an administrator for bumping into the bargaining unit upon termination of his/her administrative contract of employment.
5. Teachers contracted on a part-time basis shall have seniority calculated on a pro-rata basis.
6. Substitute work performed by part-time teachers shall not count toward accrual of seniority.
7. Seniority does not accrue for summer school teaching.
8. Seniority does not accrue for teachers who were granted Elementary Intern Program (EIP) leaves of absence under predecessor collective bargaining agreements between the Board and the Association.
9. Unpaid leaves of absence shall not add to a bargaining unit member's seniority except as noted in ¶ 9(c) and ¶ 9(d) below. However, said leaves shall not constitute a termination of employment or a break in service that would void previously accumulated seniority.
 - a. Time spent on unpaid leave of absence shall result in an adjustment of the bargaining unit member's seniority date according to the following formula:

$$\frac{\text{Number of days on leave}}{\text{Number of days in school year X}} = \frac{\text{Number of calendar days in the year}}{\text{Number of days of adjustment to seniority date}}$$
 - b. All adjustments in seniority dates as computed above shall be rounded to the nearest whole day.
 - c. Teachers will continue to accrue seniority while on military leaves, on leaves taken under the Family and Medical Leave Act and on leaves granted under Article 2.5 ¶ G of this Agreement.

- d. A teacher who commences a parental leave on or after September 1, 2009 will continue to accrue seniority during the leave. "Parental leave" is defined as leave time needed for pregnancy, birth (including complications related to pregnancy or birth), adoption, care of a newborn child or a minor child with a serious health condition (as the latter terms are defined under FMLA).
10. The Board shall provide the Association with a bargaining unit seniority list in March of each year, in both electronic (read only format) and print format. The seniority list shall include the teacher's date of hire, any adjustments in that date necessary for ranking purposes, the teacher's present assignment, and specify the area(s) in which the teacher is certified and qualified.

Any changes in certification and qualification must be documented and presented to the central office for inclusion in the next published seniority list. There shall be a thirty (30) day objection period for the Association or any bargaining unit member to challenge the accuracy of the seniority dates on the seniority list. This period shall commence on the date on which the seniority list is provided to the Association President. Absent objection within this interval, the list prepared by the District shall be regarded as conclusively accurate.

2.5 CURRICULUM COUNCIL

- A. The Association and District recognize that curriculum is ultimately determined by the Board of Education. The Board of Education will seek input from teachers. A process for this input shall be developed between Academic Services and GLEA leadership and changes to the process shall be mutually agreed upon.

2.6 INSTRUCTIONAL AIDES

- A. If the Board's audited fund balance from the previous year is eight and one-half percent (8.5%) or more, then Aides will be furnished as follows:
 - 1. All Kindergarten classrooms will have a paid aide for the duration of each instructional session.
 - 2. Aides will be furnished in grade 1 on the following basis:
 - Less than 20 - paid aide 1.5 hours per day
 - 20 - paid aide 2.75 hours per day
 - 28 or more - paid aide for 1.5 hours per day in addition to the following:
 - 28 - paid aide for 2 hours per day (if 28 in combined grade classes, in grades 1-2, 4 hours per day)

- 29 - paid aide for 3 hours per day
- 30 - paid aide for 4 hours per day
- 31 - paid aide for 5 hours per day

B. Assignment Conditions

1. Use of paid aides will be determined by the Board. When aides are assigned, their schedule will be worked out with the teacher and the building principal.
2. All aides shall receive proper orientation and instruction prior to implementation in the classroom setting. Proper general orientation will be provided by the principal and the teacher and consist of a minimum of one (1) hour instruction. Pertinent areas to be considered are:
 - a. Duties and responsibilities.
 - b. School procedures and schedules.
 - c. Orientation to instructional and/or clerical materials.
 - d. Use of aides consistent with District guidelines and Michigan Department of Education.
3. Upon assignment to a professional, the aide and professional shall be required to meet and discuss specific procedures utilized by the professional, prior to the aide commencing duties in any capacity. Follow-up conferences shall be held during each semester of the school year to discuss the use of aides, innovations, problems, etc.
4. If an aide is absent and the teacher requests it a substitute will be provided, if available.
5. If the district has not received a certified audit from the previous year within 5 business days prior to the first instructional day; the most recent audited fund balance shall be used for the first trimester only. If the previous year's audit comes back above the 8.5% trigger, any bargaining unit member that should have received aide support according to Article 2.7.A.3. will receive \$100 (gross)/per student over 28 students.

2.7 TEACHER RIGHTS

- A. Pursuant to the Public Employment Relations Act (PERA) as amended, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join, and support the Association for the purpose of engaging in negotiations.

- B. The Board specifically recognizes the right of its employees to invoke the assistance of the Michigan Employment Relations Commission as provided by law.
- C. Teachers shall be entitled to full rights of citizenship and no religious or political activities outside of the school day of any teacher or the lack thereof shall be grounds for any discrimination with respect to the professional employment of such teacher.
- D. The provisions of the Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, disability, color, national origin, age, sex, sexual orientation, marital status, or membership in or association with the activities of any employee organization.

The Board and Association recognize that their commitment to non-discrimination may require reasonable accommodation to employees and accordingly agree to jointly confer with any bargaining unit member making such a request. Where necessary to make a reasonable accommodation, the Board and Association shall consider waiver of the seniority or other provisions of this Agreement without precedent to future application or interpretation of this Agreement.

- E. If a teacher brings a classroom condition to the attention of the Board that is believed by the teacher to be hazardous to his/her health, the Board, Association and concerned teacher shall meet and confer regarding the concern expressed by the teacher. The parties shall discuss potential solutions to address substantiated concerns.

2.8 EXCLUSION OF TENURE IN POSITION

A bargaining unit member, who has not previously attained tenure at Grand Ledge in a non-classroom capacity pursuant to article III, Section 1 of the Michigan Teachers' Tenure Act, MCLA 38.91, and who is placed in a position other than that of a classroom teacher, shall not be deemed to have tenure in such position by virtue of this contract or any individual contract for such non-classroom position and tenure in the non-classroom position is hereby specifically denied. However, such an individual in the non-classroom position shall be deemed to have continuing tenure as an active classroom teacher.

3.1 TEACHER PROTECTION

- A. One of the teacher's primary responsibilities conducive to a good learning environment is to maintain classroom control and discipline; however, the Board recognizes its responsibility to give reasonable support and assistance to teachers.

- B. All cases of accident, injury, or assault involving teachers or students growing out of the exercise of a teacher's duties or school activities shall be reported to the principal promptly.
- C. Teachers shall not be required to search for bombs when a building has been alerted of a "bomb scare." Teachers who volunteer for such activity, while others supervise students in approved locations, shall be covered by employee insurance.
- D. The standards set forth in the Revised School Code governing corporal punishment and the use of physical force upon pupils, shall govern the conduct of teachers toward students in that context. The Board and the Association subscribe to the observance of these standards.

3.2 INSTRUCTIONAL MATERIALS

The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests, duplicating supplies, questionnaires, and similar materials are the tools of the teaching profession. The administration and the teachers will confer from time to time for the purpose of improving the selection and use of such educational tools, and the Board undertakes promptly to consider all joint decisions thereon made by its representative and the Association.

3.3 SCHOOL EQUIPMENT

The Board will strive to provide separate desks for teachers within the availability of funds and space.

3.4 TEACHING FACILITIES

The Board agrees to continue to make available existing teacher rooms, restrooms, lunch room, lavatory, and telephone facilities for the use of teachers, and will provide comparable facilities in any new building program. A private telephone line with an unlisted number shall be provided in an appropriate room in the respective buildings whenever such lines are available. If not, an extension of the office phone shall be provided in an appropriate room of each building. Long distance charges for non-professional, non-school business shall be paid by the using teacher.

Parking facilities shall be made available to teachers for their exclusive use whenever practical and possible.

3.5 TEACHING HOURS

- A. The Board recognizes the principle of a standard work week, and will set work schedules and make professional assignments which can reasonably be completed within such standard work week. The parties have agreed upon a schedule

containing a total of 186 work days, 180 days of instruction, with 380 minutes of instruction per day for elementary and secondary teachers.

The parties additionally recognize that the hours of student contact time specified in this Article are subject to adjustment so that the District satisfies all requirements of the Revised School Code and State School Aid Act for full receipt of foundation allowances and other appropriations.

- B. It is hereby agreed that attendance at regularly scheduled PTA, PTIA, PTO meetings, etc., conferences and school staff meetings shall be scheduled not more frequently than twice monthly for one (1) hour. When these meetings are scheduled after school they will begin not more than ten (10) minutes after dismissal of regular class. When these meetings are scheduled before school they will conclude at least ten (10) minutes before the commencement of regular class.

Attendance at staff meetings shall be required unless the principal excuses the teacher in advance.

- C. The normal workday in the elementary school will be seven (7) hours and thirty (30) minutes.

3.7 TEACHING CONDITIONS

- A. No loss of time will result in loss of pay or accumulated leave for any absences or tardiness of less than thirty (30) minutes before or after the normal student day. This provision does not in any way limit the Board in the exercise of other disciplinary measures such as: oral warnings, written reprimands, and so forth.
- B. In order to eliminate the necessity for obtaining a half-day or full-day substitute teacher when only a short period of time is in question, the following shall hold. With the written permission of the principal, in the event that a teacher has reason to leave the building for a limited period of time, and can arrange with another teacher who has a conference period to take the class for that period, then no substitute payment will be authorized and no time will be deducted from sick leave or business leave time.

- C. A secondary teacher may be assigned by his/her building principal to cover a class for an absent teacher. The first four (4) occurrences in a trimester (6 in a semester) where a teacher is assigned to substitute on their planning time for another will be considered voluntary with no compensation provided. 3.8 MENTOR TEACHERS

- A. The assignment of mentor teacher shall be regarded, posted and filled as an extra-duty position within the meaning of Article 5.4 of this Agreement. Mentors will only be appointed for those teachers with less than three years of teaching experience, whether that experience was gained at Grand Ledge Public Schools or in another school system.
- B. Nothing in this Agreement shall be interpreted or applied to indicate that the assignment of mentor teachers is exclusively work within the bargaining unit represented by the Association. Rather, the purpose of this Article is to delineate the wages and specified working conditions for that assignment when it is performed by members of the Association’s bargaining unit.
- C. Bargaining unit members performing the duties of mentor teacher will be compensated at the rate of 1.5% for first year mentees, 1.0% for second year mentees, and 1% for third year mentees. Teachers recognize the essential nature of the relationship with students which cannot be filled by any substitute.
 - 1. All teachers absent from duty because of personal illness, injury, or other approved personal reasons shall be allowed full pay for ten (10) days during any contract year. A teacher who does not fulfill a contract shall be allowed one (1) day per month or any part of any month worked. The value of any sick leave days used in excess of this pro-rated allocation shall be deducted (at the teacher's per diem rate) from the teacher's remaining wages.
 - 2. Any of the allowed (10) days not used will be credited to the teacher's record and be accumulated without limit.

- b. To evaluate a teacher's fitness for duty where the Board has articulable concerns regarding the teacher's physical and/or mental ability to perform the functions of his/her assignment. At the request of the teacher, these concerns will be made in writing at or prior to the time that verification is required.

The cost of any medical or psychological examination required by the Board shall be paid by the Board, to the extent that the teacher's insurance does not cover the cost of the examination. In the event the Board is not satisfied with the assessment of the teacher's health care professional, the Board has the right to designate a health care professional to perform a second examination. In the event of a dispute between the teacher's health care professional and a health care professional designated by the Board, the teacher and the Board shall request that their respective health care professionals consult for the purpose of attempting to reconcile their assessments, or if that is not possible, to mutually designate a third health care provider to examine the teacher.

7. For purposes of applying the Family and Medical Leave Act, a July 1-June 30 twelve-month (12) period shall be used.
- B. If unable to work at the beginning of a new school year, a teacher will be allowed to use previously earned sick leave while he/she remains ill and unable to work, providing not otherwise employed. Medical verification may be required by a physician of the Board's choice at its expense.
 - C. A Sick Leave Committee shall consist of four members: Two members designated by GLEA, and two members designated by the Superintendent. The committee shall have the authority to grant additional sick leave, funded by the district, for a major medical event of a teacher. Additional sick leave is meant to serve as a bridge to Long Term Disability, and thus will not exceed 70 days per medical event. (Please contact the Benefits person for details about Long Term Disability). Examples of major medical events would be cancer, heart attack, stroke, severe car accident, other life-threatening illnesses/injuries, or unavoidable extenuating circumstances that require missing work.
 1. All sick days that were drawn from district teachers and placed in the sick bank shall be placed back in the teacher's own accrued sick leave.
 2. Any member who experiences a major medical event, having exhausted his/her own sick leave and personal days, may apply to participate in additional sick leave by emailing the Assistant Superintendent of Human Resources and the GLEA President as well as filling out the Sick Leave Request Form on the district website.
 3. The decision of the Sick Leave Committee to grant or reject sick time is final, and the requesting teacher will be notified within a week.
 4. In the event of a tie vote of the committee to grant sick leave, a mutually agreed upon arbitrator shall be used to break the tie. Any cost for the service of the use of the arbitrator shall be evenly split between the Association and the District.
 5. Past use of sick time shall be factored into the final decision for additional leave.

The request for these days must be submitted in writing three (3) school days in advance whenever possible, and the request must receive the approval of the building principal.

Normally, only two (2) personal leave days shall be granted for any given day, except the High School principal may grant three (3) such days at the same time. Any additional requests by other teachers for the same day must have special approval of the principal.

- B. Business or personal-professional leave shall be used only for the purpose of handling personal affairs which cannot be transacted on the weekend or after-school hours. It is not provided for casual or indiscriminate use.
- C. Days immediately prior to and following scheduled vacations, days when parent-teacher conferences are held, or days when professional development is conducted shall not be used for business or personal-professional leave unless approval is received from the office of the Superintendent (or his/her designee).

- A. Military leaves of absence shall be granted to any teacher who shall enter into active military service of the United States. Upon return from such leave, within one (1) year of the termination of the military service, or the time permitted by law (whichever is greater) a teacher will be placed on the salary schedule at the level which he/she would have achieved had he/she remained actively employed

in the system during the period of his/her absence. All accumulated unused sick leave days acquired prior to entry into service will be restored to him/her.

- B. Teachers may, at the discretion of the Board, be granted voluntary leave without pay during any school year for up to one (1) year. All such requests must be submitted in writing. The full conditions of the Agreement, including the assignment of the teacher upon return, and the effect, if any of the leave on the salary schedule must also be put in writing. Pay deductions shall be computed as 1/number of annual teacher work days designated on the school calendar (Attachment A-1) of scheduled salary for any such days as may be approved.
- C. It is expressly agreed that all leaves are from the school system.

4.5 OTHER LEAVES

Teachers shall only be eligible to access this alternative if they have sufficient sick leave accumulation.
 - b. The teacher may elect to receive workers' compensation benefits only.

- c. The teacher may elect to receive the difference between his/her regular salary and the amount received as workers' compensation benefits. Such difference in salary shall be computed on a percentage basis, and this percentage shall be deducted from the teacher's sick leave accumulation. (For example, if workers' compensation pays sixty (60%) percent of full pay, sick leave will only pay forty (40%) percent and the sick leave accumulation shall be charged .4 of a day for each day so used). Teachers shall only be eligible to access this alternative if they have sufficient sick leave accumulation.

- A. The Board shall grant released time, not to exceed twenty (20) days per year to the designated representatives of the Executive Committee of the Association employed by the Board for Association business. In the event that the insurance products are changed, as described above, the Board's premium obligation for the replacement products shall not exceed the premium amounts specified above, unless otherwise agreed upon by the Board and the Association. This provision likewise does not limit the right of either the Board or the Association to propose changes in plan specifications, premium allocation and other terms and conditions in the process of collective bargaining.

When the Health Insurance Plan is determined each year by the District's Insurance Advisory committee, the District may offer to pay a cash in lieu amount and subsidy amounts that exceed the amounts specified earlier. - B. Resignations of bargaining unit members who submit letters after 4:00 p.m. on the third Friday of March shall not be entitled to receive the early resignation payment.
- C. Resignations submitted must be signed by the teacher, signify the date on which the resignation is submitted, and designate the effective date of resignation as the

last teacher work day of the applicable school year, unless the teacher is physically unable to complete the year and resigns earlier.

- D. All resignations satisfying the above requirements must be submitted to the Human Resources office.

6.1 STUDENT DISCIPLINE

- A. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, or whenever it appears that the presence of a particular student in the class will impede the education of the balance of the class because of disruptions caused by said student, the Board will relieve the teacher of responsibilities with respect of said pupil, upon recommendation of the Superintendent.
- B. The Board shall promulgate rules and regulations setting forth the procedures to be utilized in disciplining, suspending, or expelling for misbehavior. Such rules and regulations shall be distributed to students, teachers, and parents at the commencement of each school year.

6.2 MISCELLANEOUS PROVISIONS

- A. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in written and signed amendment to his Agreement.
- B. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- C. This Agreement supersedes and cancels all previous written agreements between the Board and the Association and constitutes the entire Agreement between the parties. Any amendment or Agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- D. All teachers covered under this Agreement who participate in the production of tapes, publications, or other produced educational material shall retain residual rights should they be copyrighted or sold by the District.
- E. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such a

provision or application shall be deemed null and void except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- F. Copies of this Agreement entitled “Master Agreement between the Grand Ledge Board of Education and the Eaton County Education Association” shall be printed by the Association within thirty (30) days after the Agreement is signed and presented to all teachers, administrators, and Board members. The Board shall pay one-half the cost of contract printing.
- G. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. Matters of common concern may be subject to negotiation during the period of this Agreement upon the request and mutual agreement of both parties.

- B. If delivery of related school health services is necessary to provide a student with a free appropriate public education, as mandated by the Individuals with Disabilities Education Act, those functions shall be performed by a qualified person. No bargaining unit member, except a school nurse, shall be required to provide school health services for any student except in an emergency situation.
- C. Where mandated school health services are necessary to maintain a student in the classroom, appropriate training will be provided to each teacher prior to the placement of that special education pupil in the teacher’s room. This training

shall include an explanation of procedure(s) for delivery of the school health service, identification of the appropriate persons to whom performance of that function may be permissibly delegated, the extent and availability of supervision for performance of the procedures and the authority for alteration, modification or termination of the procedures.
