LEARNING ABOUT PRIDE

- During the first week of school you will be learning about the PRIDE expectations in each of your classes.
- We want you to fully understand what we expect to see and hear in all areas of the building, busses, and during any school event.
- We'll review expectations and do activities to help remind us when necessary.

COMET PRIDE TICKETS

- Throughout the year, staff will be on the lookout for Comets who demonstrate PRIDE.
- Tickets will be handed out to those students
- Students may turn in their tickets to their advisory teacher to enter into a weekly drawing for prizes (prizes vary)
- Students may choose to turn in tickets each week or they may be saved to increase a student's odds of winning a prize
- All tickets that are turned in will be saved for an larger prize drawing at the end of each trimester!!
