Notification of Weed Control Application

In an effort to maintain the appearance of the buildings and grounds of Grand Ledge Public Schools, it is necessary to apply weed control to the grounds throughout the district. Applications will be conducted in the evenings, on weekends, or when school is not in session. Please understand applications will not occur every day. The dates given take factors into account such as wind, rain and site usage that can affect the exact date and time of the application. Dated signs will be posted on treated areas.

The product being used is a liquid weed killer and will be applied by a State Certified Applicator.

School / Building / Site: All District Buildings
Date of Application: June 19 through June 30, 2023
Area to be Treated: All District Building Grounds (including fence lines)
Description of Treatment: Weed Control

If you have any questions or concerns, please feel free to contact the District's Operations Office at 925-5430. If you would like more information on liquid weed killers, you may call the Department of Agriculture at 800-292-3939 or National Pesticide Information Center at 800-858-7378.

Respectfully,

Grand Ledge Public Schools Operations Department
