MICIP Portfolio Report

Grand Ledge Public Schools

Comet Academy

Status: ACTIVE

Statement: By the start of the 2023-2024 school year, we will develop a partnership with Relevant Academy to support the needs to seniors who are off track for graduation. By the end of the 2023-2024 school year, it needs to be in place and serving students.

Created Date: 10/30/2023

Target Completion Date: 06/15/2024

Strategies:

(1/3): MTSS Framework (General)

Owner: Steve Gabriel

Start Date: 11/03/2023

Due Date: 06/15/2024

Summary: "A Multi-Tiered System of Supports (MTSS) is a comprehensive framework comprised of a collection of research-based strategies designed to meet the individual needs and assets of the whole child at all achievement levels. MTSS intentionally interconnects the education, health, and human service systems in support of learners, schools, centers, and community outcomes. The five essential components of MTSS are inter-related and complementary. Implementation of the essential components as intended provides educational settings with a framework to organize the strategies and processes needed to support successful learner outcomes. The five essential components include the following: Team-Based Leadership; Tiered Delivery System; Selection and Implementation of Instruction, Interventions and Supports; Comprehensive Screening & Assessment System; Continuous Data-Based Decision Making."

(2/3): 23g Expanded Learning Time

Owner: Steve Gabriel

Start Date: 11/07/2023

Due Date: 06/15/2024

Summary: EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.

(3/3): 23g Intensive, Individualized Support

Owner: Steve Gabriel

Start Date: 11/07/2023

Due Date: 06/15/2024

Summary: A trained adult advocate can help students who have fallen off track by providing individualized support to meet their academic, personal, and emotional needs. An advocate is a student’s “go-to person” for the resources and support needed to graduate, and typically provides these supports for the entire time a student is enrolled in the school, or, at a minimum, for a full school year. Advocates can be school staff or not employed by the school district. Advocates can identify unmet needs and provide or coordinate more intense, individualized support to help students get back on track for graduation.
