ACTION ITEM C

C. Waive 1st Reading & Approval of Board Policy 8510 (Wellness)

PROPOSED MOTION: I move the Grand Ledge Public Schools Board of Education Waive the first reading of Board Policy 8510, Wellness, and move to approve the Policy as revised and presented.

Book Policy Manual
Section 8000 Operations
Title WELLNESS
Code po8510
Status Active
Legal 42 U.S.C. 1751, Sec. 204

Adopted February 5, 2024

8510 - **WELLNESS**

As required by law, the Board of Education establishes the following wellness policy for the Grand Ledge Public School District.

The Board recognizes that good nutrition and regular physical activity affect the health and well-being of the District's students. Furthermore, research concludes that there is a positive correlation between a student's health and well-being and his/her ability to learn. Moreover, schools can play an important role in the developmental process by which students establish their health and nutrition habits by providing nutritious meals and snacks through the schools' meal programs, by supporting the development of good eating habits, and by promoting increased physical activity both in and out of school.

The Board, however, believes this effort to support the students' development of healthy behaviors and habits with regard to eating and exercise cannot be accomplished by the schools alone. It will be necessary for not only the staff, but also parents and the public at large to be involved in a community-wide effort to promote, support, and model such healthy behaviors and habits.

The Board sets the following goals in an effort to enable students to establish good health and nutrition habits:

A. With regard to nutrition education, the District shall:

Nutrition education shall be included in the Health curriculum so that instruction is sequential and standards-based and provides students with the knowledge, attitudes, and skills necessary to lead healthy lives.

B. With regard to physical activity, the District shall:

1. **Physical Education**

A sequential, comprehensive physical education program shall be provided for students in K-12 in accordance with the standards and benchmarks established by the State.

2. **Physical Activity**

a. Physical activity should not be employed as a form of discipline or punishment.

b. Physical activity and movement shall be integrated, when possible, across the curricula and throughout the school day.

c. Schools shall offer a wide range of physical activities outside the regular school day that meet the needs, interests, and abilities of all students, including males, females, students with disabilities, and students with special healthcare needs.

C. With regard to other school-based activities:

Free drinking water shall be available to students during designated meal times and may be available throughout the school day.

1. The schools shall schedule mealtimes so there is minimum disruption by bus schedules, recess, and other special programs or events.
2. The school shall provide attractive, clean environments in which the students eat.

D. With regard to nutrition promotion, any foods and beverages marketed or promoted to students on the school campus, during the school day, will meet or exceed the USDA Smart Snacks in School nutrition standards.

Additionally, the District shall encourage students to increase their consumption of healthful foods during the school day.

Furthermore, with the objectives of enhancing student health and well being, and reducing childhood obesity, the following guidelines are established:

~~E. A.~~ In accordance with Policy 8500, entitled Food Service, the food service program shall comply with Federal and State regulations pertaining to the selection, preparation, consumption, and disposal of food and beverages, including but not limited to the USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards, as well as to the fiscal management of the program.

~~F. B.~~ As set forth in Policy 8531, entitled Free and Reduced Price Meals, the guidelines for reimbursable school meals are not less restrictive than the guidelines issued by the U.S. Department of Agriculture (USDA).

The sale of foods of minimal nutritional value in the food service area during the lunch period is prohibited.

~~G. C.~~ The sale of foods and beverages to students that do not meet the USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards to be consumed on the school campus during the school day is prohibited.

~~H. D.~~ All food items and beverages available for sale to students for consumption on the school campus (any area of property under the jurisdiction of the school that is accessible to students during the school day) between midnight and thirty (30) minutes after the close of the regular school day shall comply with the current USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards, including, but not limited to, competitive foods that are available to students a la carte or as entrees in the dining area (except entree items that were offered on the National School Lunch Program (NSLP) or School Breakfast Program (SBP) menu on the day of and the day after they are offered on the NSLP or SBP menu), as well as food items and beverages from vending machines, **and** from school stores, ~~or as fund-raisers, including those operated by student clubs and organizations, parent groups, or boosters clubs.~~

~~I. E.~~ All foods offered on the school campus during the school day shall comply with the current USDA Dietary Guidelines for Americans, including competitive foods that are available to students a la carte in the dining area, ~~as classroom snacks,~~ or from vending machines.

~~F.~~ All food and beverages that are provided, other than through sale, on the school campus during the school day (which may include classroom snacks, for classroom parties, and at holiday celebrations) shall comply with the food and beverage standards approved by the Food Service Director.

~~J. G.~~ The food service program will provide all students affordable access to the varied and nutritious foods they need to be healthy and to learn well regardless of unpaid meal balances and without stigma.

~~K.H.~~ The school food service program may involve students, parents, staff, and/or school officials in the selection of competitive food items to be sold in the schools.

L. The above standards (E-K) apply in all cases except:

1. Pre Approved fundraisers, limited to no more than two per week, per building

2. Activities in which food is given and not purchased

, not to be located in the cafe during meal service.

The Board designates the Food Service Director as the individual(s) charged with operational responsibility for verifying that the District meets the goals established in this policy.

The Superintendent shall appoint a District wellness committee that includes parents, students, representatives of the school food authority, educational staff (including health and physical education teachers), mental health and social services staff, school health professionals, members of the public and school administrators to oversee development, implementation, evaluation and periodic update of the wellness policy. The Wellness Committee shall be an ad hoc committee with members recruited and chosen annually. School-level health advisory teams may assist in the planning and implementation of these Wellness initiatives.

The Wellness Committee shall be responsible for:

- A. assessment of the current school environment;
- B. review of the District's wellness policy;
- C. presentation of the wellness policy to the school board for approval; D. measurement of the implementation of the policy;
- D. recommendation for the revision of the policy, as necessary.

Before the end of each school year the Wellness Committee shall recommend to the Superintendent any revisions to the policy it deems necessary and/or appropriate. In its review, the Wellness Committee shall consider evidence-based strategies in determining its recommendations.

The Superintendent shall report annually to the Board on the progress of the Wellness Committee and on its evaluation of policy implementation and areas for improvement, including status of compliance by individual schools and progress made in attaining goals of policy.

The Superintendent is also responsible for informing the public, including parents, students and community members, on the content and implementation of this policy. In order to inform the public, the Superintendent shall:

- A. distribute information at the beginning of the school year to families of school children;
- B. and post the policy on the District's website, including the Wellness Committee's assessment of the implementation of the policy.

The District shall assess the Wellness Policy at least once every three (3) years on the extent to which schools in the District are in compliance with the District policy, the extent to which the District policy compares to model wellness policies, and the progress made in attaining the goals of the District Wellness Policy. The assessment shall be made available to the public on the School District's web site.

5. State School Aid Act Section 21f, MCL 388.1621f, in conjunction with Pupil Accounting Manual Section 5-O-D, authorizes school districts to provide “virtual courses,” which are courses of study that are capable of generating a credit or a grade and are provided in an interactive learning environment where the majority of the curriculum is delivered using the internet and in which pupils may be separated from their instructor or teacher of record by time or location, or both; and
6. Relevant Academy provides virtual programming for students in grades 9-12 (the “Program”), and Grand Ledge Public Schools is desirous of offering the opportunity of enrollment in the Program to eligible students, who are those students Grand Ledge has determined meet the requirements for enrollment in the Program (“Eligible Students”).

Each “mentor” shall satisfy the requirements for “mentors” established in Section 21f of the State School Aid Act, MCL 388.1621f, and Section 5-O-D of the Michigan Pupil Accounting Manual. Mentors will be granted access to Virtual Program courses in which the mentor’s student is participating.

When an IEP or 504 plan requires accommodations to the teaching/learning environment, Relevant will ensure that these accommodations are implemented in the classroom setting when applicable. Relevant will collect necessary data to demonstrate implementation of IEPs and 504 Plans and provide that data to Grand Ledge. Relevant will promptly notify Grand Ledge if Relevant has reason to suspect that an Eligible Student participating in the Program may be a student with a disability.

- g. If the pupil is enrolled in more than two (2) virtual courses in an academic term, semester, or trimester, Grand Ledge will first determine that enrollment is in the best interest of the pupil and ensure the pupil agrees with Grand Ledge's recommendation.

- i. Hold a valid Michigan teaching certificate, substitute permit, authorization, or approval issued by the Michigan Department of Education (“MDE”).
 - ii. If applicable, be endorsed in the subject area and grade of the virtual course.
 - iii. Be responsible for providing instruction, determining instructional methods for each pupil, diagnosing learning needs, assessing pupil learning, prescribing intervention strategies and modifying lessons, reporting outcomes, and evaluating the effects of instruction and support strategies.
 - iv. Have a personnel identification code provided by CEPI.
 - j. Ensure that the virtual course is academic in nature and approved by the Relevant Board.
 - k. Assign grades and other marks to Eligible Students in the Program. For a course required by Michigan law for graduation, a teacher of record shall not award credit unless the student has demonstrated the level of content proficiency required by law.
 - l. If required by law, not later than October 1 each fiscal year, provide the Michigan Virtual University with an aggregated count of enrollment for each virtual course the provider delivered during the preceding school year and the number of enrollments in which the pupil earned 60% or more of the total course points for each virtual course.
 - m. Assist Grand Ledge with pupil accounting documentation for participating students, as necessary.
6. **Student Education Records.** Relevant will receive Eligible Students’ personal data, including “personally identifiable information” or “education records”, as defined by the Family Educational Rights and Privacy Act (“FERPA”), 20 USC 1232g, 34 CFR Part 99, as an incident of the Program. Grand Ledge shall ensure that its annual FERPA notices (e.g., its opt-out form for directory information disclosures, per Revised School Code Section 1136, MCL 380.1136) are consistent with this provision. In addition, Relevant administrators and teachers shall be deemed “school officials determined to have a legitimate educational interest” under 34 CFR 99.31(a)(1), within Grand Ledge’s policies and procedures. In accordance with this “school official” exception, Program administrators and teachers: (1) are performing an institutional function or service that Grand Ledge has outsourced to it and which would otherwise be performed by Grand Ledge personnel; (2) have a legitimate educational interest in the FERPA-protected information; (3) are under the direct control of Grand Ledge with respect to the use and maintenance of education records; and (4) will comply with the applicable regulations concerning re-disclosure of personally identifiable information.
7. **Liability.** Each Party shall have and retain liability to third parties for injuries sustained or damages incurred on its own premises and through the actions of its own employees or agents, any of its obligations under this Agreement, or under law, except such liability

that may arise by reason of the actions or omissions of the other Party, its agents, or employees. Nothing herein shall be construed as a waiver of governmental immunity.

8. **Financial Compliance.** The Program shall be operated in accordance with the Uniform Budgeting and Accounting Act, MCL 141.421 et seq.; the State School Aid Act, MCL 388.1601 et seq.; and all other laws pertaining to the financial operation of such a program.
9. **Dispute Resolution.** The Parties will meet in good faith to resolve any disputes related to this Agreement. If a meeting does not resolve the dispute to both Parties' satisfaction, the Parties will participate in facilitated mediation with a mutually agreed-upon mediator. If the Parties cannot agree on a mediator, or if mediation does not resolve the dispute to both Parties' satisfaction, the dispute may be submitted to binding arbitration, the decision from which shall be the sole and exclusive remedy for disputes between the Parties under this Agreement. Such arbitration shall be conducted in accordance with the rules of the American Arbitration Association. The arbitrator's fee shall be shared equally between the Parties. All Parties may have legal representation, but shall be individually responsible for their respective legal expenses. A judgment on the arbitrator's award may be entered in any court of competent jurisdiction. The Parties expressly agree that this arbitration agreement precludes them from filing claims against the other in court and effectively waives any right to a jury trial.
10. **Successors and Assigns.** This Agreement shall not be assigned, or subcontracted, without the written consent of the other Party, which may be reasonably withheld. If consent has been provided in advance of any assignment or subcontract, this Agreement shall ensure to the benefit of and shall be binding upon the successors and permitted assigns of the Parties.
11. **No Joint Employment.** The terms of this Agreement will not be construed in any manner whatsoever so as to create a joint employer relationship between Relevant and Grand Ledge. Relevant employees will not be considered employees of Grand Ledge at any time, or vice versa, because of this Agreement.
12. **Bargaining.** This Agreement is an intergovernmental agreement to consolidate or otherwise collaborate regarding one or more functions or services through the use of technology to deliver educational programs and services, as permitted by Public Employment Relations Act Section 15, MCL 423.215(11) and MCL 423.215(3)(h).
13. **Nondiscrimination.** The Parties agree not to discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status. The Parties further agree not to discriminate against any individual, including any Eligible Student,

because of race, color, religion, national origin, age, sex, height, weight, or marital status. Breach of this paragraph may be regarded as a material breach of contract.

14. **Waiver.** Failure by either Party, at any time, to require performance by the other Party, or to claim a breach of any provision of this Agreement, will not be construed as a waiver of any subsequent breach, will not affect the validity and operation of this Agreement, and will not prejudice either Party with regard to subsequent action to enforce the terms of this Agreement.
15. **Severability.** If any provision of this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions of this Agreement will not be affected, impaired, or prejudiced thereby, unless the provision(s) removed materially impact the basic intent of this Agreement.
16. **Governing Law.** This Agreement and the rights and obligations of the parties hereunder will be governed by and construed in accordance with the laws of the State of Michigan.
17. **Counterparts.** This Agreement may be executed in one or more counterparts, including facsimile and electronic signatures, each of which will be deemed to be an original, but all of which constitute one and the same agreement.
18. **Entire Agreement.** This Agreement sets forth the entire understanding between the parties with respect to the subject matter of this Agreement and supersedes all previous oral or written agreements and understandings on the subject matter between the parties. No provision of this Agreement may be modified except in writing executed by both Parties.

Re: Grand Ledge Public Schools 2018 Bond Program
Proposal 1 Series 4 – Hayes Intermediate and Transportation Building Renovations
Contract Award Recommendation

Dear Dr. Barnes:

As Construction Manager for Grand Ledge Public Schools, Clark Construction Company hereby recommends Grand Ledge Public Schools enter into a contract agreement with the contractors listed below.

Thirty-Nine (39) competitive bids were received for sixteen (16) bid categories on September 24, 2024. The recommended contractors provided the lowest responsive bid for the project. Clark Construction Company has conducted a post-bid interview with the recommended contractors, and they have confirmed their commitment to the performance of the contract requirements. **No bids were received for the Signage or Manufactured Casework bid categories. The Manufactured Casework bid category is currently out for rebidding and bids are due on October 29, 2024. The Signage bid category is small (only a few interior signs and the exterior sign was already included in the Willow Ridge site signage package). This bid category will not be re-bidding. The signage work will be added to the General Trades bid category during construction.**

Clark Construction Company also recommends including a contingency in the amount of 7% for any unforeseen issues. In addition, the General Conditions (GCs) budget is required for construction-related costs such as permits, temporary facilities, safety enclosures, etc. This GC budget would be added to Clark Construction Company's Contract for payment of costs. No GC costs will be incurred without first obtaining District Administration approval.
